

# SURVEY RESULTS FOR SUB-SECTOR STATIONARY AND INDUSTRIAL APPLICATIONS OF BATTERIES

## D4.2 Survey Results for Sub-sector Stationary and Industrial Battery Applications

Get the first-hand knowledge on how the battery sector and related decision makers and influencers view the future regarding job roles and the demand for skills and competences in the value chain.

We surveyed companies, educational institutions, and technology centres. Many of them were manufacturers of batteries. For further information, please view our report.
